

DESIGNED FOR EXCEPTIONAL PERFORMANCE

Our range of din rail products and distribution boards reflect the meticulous details designed to deliver a range of secure options, catering to residential, commercial and industrial sectors.

ENSURING UNPARALLELED QUALITY,
SAFETY AND SERVICE ALWAYS

NOVA

Nova Miniature Circuit Breakers and Isolators are a comprehensive range that has been engineered to deliver optimum security to the electrical appliances of your spaces.

NOVA X

Powered by innovative technology, Nova X range is cautiously designed to offer optimal protection and secure the various premises from electrical fire caused due to short circuits.

NOVA

MCB

With tough fire resistance body and a trip-free mechanism, the NOVA MCB series ensures low power loss & low-temperature rise assuring optimal protection.

MINIATURE CIRCUIT BREAKER - SINGLE POLE (10kA C SERIES)

ENGINEERED FOR SAFETY & RELIABILITY

Engineered with improved operational safety, sequentially interpreting high-quality standards and exceptional performance, the range reflects the meticulous details designed to deliver a range of secure options, catering to your design and installation requirements. Always striving to create value and exceed customer expectations, our Switchgear range sequentially interprets high-quality standards in offering reliability and durability for the developing modern infrastructure.

Terms & Conditions :

This cancels all our previous price list. The price are inclusive of all Government Duties & Taxes as applicable. Due to the continuous innovation and for better functioning, design of our products are liable to modification without notice.

In unforeseen circumstance the price list is liable to change without any notice. Goods are dispatched by us on purchaser's risk. All claims for loss, damage or shortage will be filed by the purchaser directly with the carriers. Subject to Mumbai Jurisdiction only for disputes, if any.

Guarantee Clause :

The guarantee is applicable when the devices are used with Vinay" mounting flush and surface boxes, otherwise the guarantee period will be reduced by 50%. The guarantee is only applicable when the products are installed as per the company's instruction and not tampered in any manner. The company liability under this guarantee shall in no event and under any circumstances exceed the price paid by the customer to the company for the goods stated in the invoice.
